

KILLYLEA PRIMARY SCHOOL

MOBILE PHONE POLICY

The use of mobile phones at Killylea Primary School follows the guidance and direction given by Education Support for N. Ireland which takes recommendations from all five education boards.

- While we fully acknowledge a parent's right to allow their child to bring a mobile phone to school, Killylea Primary School discourages pupils from bringing mobile phones to school.
- If pupils bring mobile phones to school, the phones must be switched off and given to the teacher for safe keeping and collected at the end of the day.
- Exceptions to this would be in an emergency situation and with the express approval of a senior member of school staff or where a written request has been received from the parent/carer.
- Should parents need to contact pupils, or vice versa, this should be done following the usual school procedures: via the school office. (tel no. 02837568621)
- Where a pupil is found by a member of staff to be using a mobile phone, the phone will be taken from the pupil, handed to a senior member of staff who will record the name of the child and attach to the phone. The mobile phone will be stored by that teacher. The pupil may collect the phone at the end of the school day.
- If a pupil is found taking photographs or video footage with a mobile phone of either other pupils or teachers, this will be regarded as a serious offence and disciplinary action will be taken according to the school's Pastoral Care Procedures.
- If images of other pupils or teachers have been taken, the phone will not be returned to the pupil until the images have been removed by the pupil in the presence of a teacher.
- Parents are advised that KPS accepts no liability for the loss or damage to mobile phones which are brought into the school or school grounds.
- Please talk to your child about who is entitled to use his/her mobile number, as text messages can often be used to bully pupils.

This policy supports the school's Health and Safety, Anti-bullying, Child Protection and Internet Acceptable Use policies.

It has been endorsed by the Board of Governors and will be monitored, reviewed and amended as required
